Amendment of the Franklin Gulf Wealth Bond Fund's investment policy

Dear Shareholder,

We would like to let you know that the board of directors of Franklin Templeton Investment Funds (the “**Company**”) has decided to enhance the investment policy of the Franklin Gulf Wealth Bond Fund (the “**Fund**”) to introduce some new ESG exclusions. In this respect, the following paragraph is added after the second paragraph of the Fund's investment policy:

“The Fund does not invest in companies which, according to the Investment Manager's analysis:

- are involved in the production of controversial weapons (i.e., nuclear weapons, cluster munitions, landmines, biological and/or chemical weapons, depleted uranium weapons, blinding laser weapons, incendiary weapons, and/or non-detectable fragments, or any other indiscriminative type of weaponry);*
- derive more than 5% of their revenue from tobacco or tobacco products; or*
- generate more than 5% of their revenue from thermal coal extraction.”*

Impact

The change detailed above will have no material impact on the way the Fund is managed, its portfolio's composition, risk profile or SRI, nor on the fees charged. The new investment policy will be reflected in an updated version of the Prospectus, a copy of which will be available online or at the registered office of the Company.

All other features of the Fund remain the same.
