Dear Shareholder,

We are writing to you as a Shareholder of the SICAV in relation to some minor updates included in the Prospectus dated 30 October 2025 (the "Effective Date").

If any of the below mentioned amendments do not suit your investment requirements, you are advised that you may, at any time redeem your shares in the Funds without any redemption charges. Redemptions will be carried out in accordance with the terms of the Prospectus.

Unless otherwise stated below, all costs associated with the proposed below changes will be borne by the Management Company.

A. Clarification of the investment policy of the Invesco Global Equity Income Advantage Fund

From the Effective Date, to better reflect the current practice, clarification has been made to the investment policy of the Invesco Global Equity Income Advantage Fund to reflect that the Fund will invest primarily in a diversified portfolio of global equity securities. Furthermore, clarification has been added to better describe the Fund's options-based overlay strategy, implemented via fully funded equity-linked notes (ELNs), which is designed to enhance overall portfolio income.

This update will have no impact on how the Invesco Global Equity Income Advantage Fund is being managed, nor on its risk profile.

B. Clarification of the investment policy of the Invesco Multi-Sector Credit Fund

From the Effective Date, the investment strategy of the Invesco Multi-Sector Credit Fund will be updated to increase the ability of the Investment Manager to access eligible loans via swaps from 10% to 20% of the Invesco Multi-Sector Credit Fund's NAV. For the avoidance of doubt, there is no change in the exposure to eligible loans as an asset class but only an increased possibility for the Investment Manager to access the eligible loans via swaps.

The above update will have no impact on the asset allocation of the Invesco Multi-Sector Credit Fund, nor on its risk profile.

C. Miscellaneous

The following miscellaneous updates have been included in the Prospectus, including, but not limited to,

- Clarification of the SICAV's ESG risk integration process to better reflect the process applied (Section 7.7 of the Prospectus),
- Clarification to the availability of "A", "E" and "R" Share classes (accessible via intermediaries) (Section 4.1 of the Prospectus).
- Update of the pre-contractual disclosures of the Invesco Multi-Sector Credit Fund (Appendix B of the Prospectus) to clarify how the securitised debt is assessed against the exclusion framework. The sustainability-related disclosures will be updated in the same way.

D. Availability of documents and additional information
